Conscious Kids - After School Programme

CK WALKING BUS

Our **CK After School Programmes** offer a unique collection from school service. Our parent helper and /or programme assistant will collect the children from school and walk them to our programme. The supervisor will be set up and waiting ready for the programme.

Please ensure you **FILL IN AND SIGN** the below form to allow your child to be collected by our helper and /or programme assistant. Once your child has been signed up for our CK walking bus, parents will be informed where their child is to wait and be collected.

If you have younger children that need to be collected from their classroom, please ensure we are made aware of this and we will make allowances for the safety of our younger CK family members.

I _____(parent name) hereby give permission for the Conscious Kids parent

helper and /or programme assistant to collect_____ (child's name) from

_____(school name) Room _____ to attend the Conscious Kids

After School Programme.

Please add additional information if required:
